

## About the course

Teaching Children Effectively™ (TCE®) Level 1 is a CEF worldwide course, designed to offer a fresh approach to evangelising and teaching children.

Based on spiritual and educational principles, the course provides the methods and procedures to lead children to Christ and immediately equips the believer to begin and sustain a ministry where he/she lives.

Student practicums (teaching in class) are a vital part of the instructional procedure, making TCE a refreshing way to train Christians in child evangelism.

A certificate is issued on completion of the course and participation in 5 children's classes after the course.

Testimony

I started the course with much apprehension. Right from the start I struggled with just getting up in the morning. Looking back now I can see that there was a spiritual battle going on. But I had such wonderful teachers who really helped me and encouraged me. Knowing that I had people praying for me was such a blessing and a comfort.

This course not only taught me so much about children's ministry, I also felt closer to God as we had Bible study each morning and I really loved the songs and verses we learned over the week. God got me through this course, I could never have done it on my own.

Thank you, Lord! I am now, Lord willing, putting a plan together for a Good News Club in Rangiora, North Canterbury.

Looking forward to TCE 2!  
No apprehension this time!
