MINISTRIES

Club Ministries

Find out how God continues to use the exciting club ministries CEF offers around the world. *Good News Club®*, take place once a week during the school year, *5-Day Club®* take place over the course of a five day period, and offer a unique opportunity for children to interact with teenagers who receive training in the *Christian Youth in Action®* programme.

Truth Chasers Club (Formerly CEF Mailbox Club) has rapidly grown over the past five years to be one of our most effective ministries. Now in 130 countries, this incredible form of evangelism and discipleship is impacting the world for Christ

Camp Good News

Ranging from day-camp to overnight camp, *Camp Good News®* has long been one of the children's favourite CEF ministries.

CEF Legacy carries on

When Alan Pfeiffer for personal reasons, recently stepped down from the position of Chairman of the Board of CEF NZ, I found myself suddenly elevated to his role BUT thankfully still with his presence on the Board!

Thankfully Roland and Ruth Stark were organizing the imminent staff and Board retreat at Arjay House in Torbay Auckland's North Shore. But what a pity the fog delayed the arrival of our South Island cohorts Willie and Peter van't Wout .

Since then we have received the resignation of our Office Manager Annabelle Avery PLUS the more recent resignation of our Northland workers Roland and Ruth Stark ...so I was wondering "What next Lord?"

But wait! This is just a hiccup – there is light that still shines for CEFNZ!

- The Truth Chasers Club is growing;
- Our Clubs and Camps continue effectively;
- Teachers are being trained

Terry Trail
National Board Chairman

- Our Koreans ministries are reaching many children
- We have a new Office Manager being trained;
- Her husband a potential web site / Resource Centre volunteer;
- Potential Board members showing real interest;
- We move to new premises in Manukau City on June 23;

Yes, the vision of Mr Overholtzer goes on – to reach children – disciple them – and place them in churches who will nurture them. We are still very much part of that vision and we shall keep faith with that as long as we have breath. Thank you God!

Changes

From time to time we have to say good-bye to staff who are facing changes in their lives. This month we are sadly farewelling staff in Northland and the national office. Please pray for these workers and their families.

God called **Annabelle Avery** to serve in the CEF National Office at a time of great need. She first worked as a volunteer for a few months in 2010 and then came into the work as the office administrator, part-time, in the December.

She started off handling all the office administration and then in June, started fulltime, to take on the finance management as well. So, as you can imagine, her days have been full! We have really appreciated her and the wonderful work she has done.

Now, for personal reasons, Annabelle is having to finish in this role with CEF and her last day of work is 20th June.

We pray that God will fill her with His love and wisdom as she looks to Him for her future.

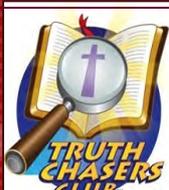

In May 2012, **Roland and Ruth Stark** completed 5 years of full time service with CEFNZ. Previously they had been involved with CEF in Brazil for 3 years as this worked well alongside their other Mission work. Then, on their return to NZ, they served as volunteers with CEF Northland for 8 years before joining the work fulltime. We praise God for their wonderful and blessed ministry in the Northland area. Many children have been reached, saved and disciplined. Many teachers have been encouraged and trained. Roland and Ruth have also helped reach children and teach in training courses in other areas of NZ. We praise God also for their children, Lucas and Tiago, who have attended many CEF functions and helped their parents in various ways.

Now, due to some unexpected events and unforeseen circumstances, they have come to a place where they need to step back from their work with CEF as full time workers and Local Directors. They finished their fulltime ministry on 13th June. Roland writes "It is our intention to continue to be involved with children's ministry through our local church and in a voluntary role with CEFNZ."

We wish them God's rich and unlimited blessing on their future life and service.

Thank you to all of you.
